

## ERRATA

*As figuras das páginas seguintes devem interpretar-se com as tramas a cinzento reproduzidas abaixo:*

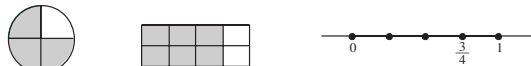

**Pág. 139**

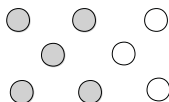

**Pág. 224**

**Pág. 225**

Os modelos discretos utilizam contadores (fichas).

**Pág. 226**

Como podemos ver, corresponde a metade da unidade.

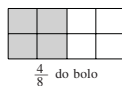

**Pág. 227**

**Pág. 228**

No total comeram

**Pág. 229**

De seguida, para podermos adicionar os dois números, a unidade tem de estar dividida no mesmo número de partes.
